

Client:
Missouri Bluffs Golf Club

KG's Role:
General Contractor

Location:
St. Charles, Missouri

Contract Value:
\$12 Million

Kolb Grading took a part in carving the rolling hills you see in the above pictures. This beautiful golf course consists of 235 acres. Missouri Bluffs is an 18-hole golf course and is known as the best championship golf course in Missouri. The club is nestled in a forest of trees and hills providing a spectacular view.

- Clearing a vast amount of land, leaving mature trees to landscape the course & creating exquisite scenery
- Grading 235 acres of hills to create a variety of fairways
- The total course length from the championship tees in 7,047 yards
- Large greens were shaped by our dozers and graders
